Dear Students and Parents/Guardians,

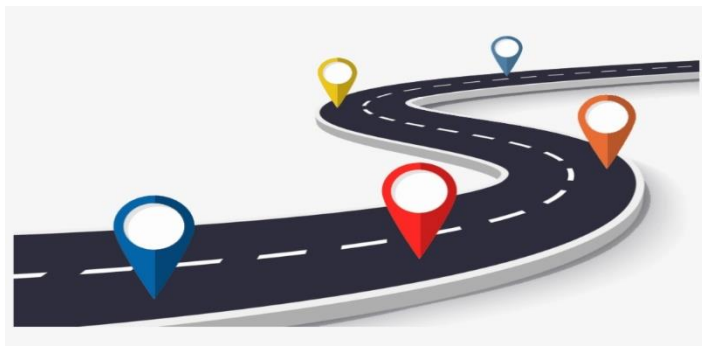

We have a very different run-in ahead of us all until May 29th. We would like to congratulate all our CBC students and members of the CBC community for their on-line participation to date. We all are adapting to our new learning environment and missing school as we knew it. The past two months have shown us that schools are much more than places where information is passed on. Schools are about relationships, connections, experiences - indeed schools are the path and not the point! We will come through this crisis together as a school community. We need to support each other with kind and thoughtful words and actions. We also remember that some families in our school community are mourning the loss of loved ones from the COVID-19 virus. Go ndéana Dia trócaire orthu.

This week we learned that the 3rd Year Junior Cycle students will have no State Exams in September and that the assessment of their learning will be provided by their teachers. Schools will decide how this assessment is to be arrived at and the format in which the report is provided. At present, the Leaving Certificate written exams are due to begin on July 29th with the timetable due for publication in early June. School exams will take place at the end of May for year groups from 1st Year to 5th Year.

Roadmap for Reopening Society & Business

Our government has been working with a range of Departments and stakeholders to draw up a roadmap for modifying restrictions imposed to combat the COVID-19 pandemic. This Roadmap includes:

- 1. A sequence of actions to re-open the economy and society**
- 2. A decision-making framework for Government**
- 3. A process for engaging with unions, employers and other representative groups to build a co-operative approach to re-opening workplaces and other facilities**
- 4. An updated economic policy response**
- 5. Updated response on other pressing societal concerns**
- 6. Travel and international co-operation**

According to the roadmap, education facilities will commence opening on a phased basis at the beginning of the school year 2020-21 with social distancing and other requirements applying.

Leaving Cert & Junior Cert/Cycle Fee Update:

The Department of Education have released the following update in relation to payments for both the Junior Cycle and the Leaving Certificate:

Junior Cert/Cycle: Students will not be required to pay an examination fees to the SEC in relation to the 2020 Junior Cycle examinations, the SEC will be issuing a refund to all students who have already paid. There is no need to contact the State Examinations Commission as refunds will be made automatically. Further details will be sent to all schools in the coming days.

Leaving Certificate: The closing date for payment of the Leaving Cert examination fee is being extended until after the exams are complete and the results has issued. A word from the Board of Management.....

The onset of the Covid-19 pandemic has created many unforeseen challenges for people throughout the world. In all likelihood, social isolation, movement limitations and mobility restrictive measures will disrupt social life, economic life and school-based education for several more months. The Board of Management of CBC would like to congratulate and commend each and every member of the school community for its constructive and engaged response to the current Covid-19 pandemic. We have been very heartened by the manner in which our students, parents, your families, teachers, SNAs and school staff have demonstrated their capacity to respond in these unprecedented times. You have all modelled great resilience in your approach to dealing with the situation. To our students and their families, we know that the current situation is causing you much anxiety and frustration, affecting many of the daily activities that we all once took for granted. We thank you for trusting your teachers and engaging so well with these new processes. Your levels of engagement and support for one another at this time have been so impressive. Parents, we thank you for sharing your support, encouragement and feedback - it's very much appreciated. The Board will establish the creation of a CBC Memorial that will mark the memory of loved ones who have died at this time of challenge for everyone.

Edmund Rice Schools Trust

This year we celebrate the Feast Day of Blessed Edmund in very different circumstances. Regulations designed to curb the spread of Covid-19 keeps us apart but this doesn't mean that we can't come together in the spirit of Blessed Edmund to support each other in our endeavours. Let's make this an Edmund Rice Day like no other where we celebrate our efforts to stand together in solidarity with those less fortunate. May we wish everyone in our school community, a very happy feast day on Tuesday May 5th.

Edmund and his companions took religious vows and the congregation of the Christian Brothers of Ireland was formed in 1802. The success of the first school at Mount Sion in Waterford led to schools being opened in other parts of the country – Carrick-on-Suir, Dungarvan, Cork, Limerick, Dublin and Dun Laoghaire (1854 Christian Brothers School Eblana Avenue, original incarnation of CBC). Today, there are over 270 Edmund Rice schools worldwide. Edmund died in 1844, aged 82 years. In 1996, he was beatified by Pope John Paul II, becoming Blessed Edmund Rice.

Design the CBC Student Journal Cover Competition 2020-21 - €100- Prize

The 2020-21 CBC School Journal Cover Design Competition is now up and running. This competition is open to all CBC students who now have the opportunity to design the cover of this year's School Journal. The pandemic is a challenging time for everyone but every cloud has a silver lining! One of the positives of the lockdown is that it has given us all a time-out, time to look at things differently, to re-evaluate, reflect and reframe our perspectives. Why not express some of what you have been feeling since we've been in lockdown. What have you been missing? Your friends, the outdoors, maybe even your teachers! What have you found difficult to manage? What have you learned about yourself? How has being a CBC student helped you through this? Use these feelings and incorporate them into your design. All entries this year by e-mail. If your entry is a hand-drawn/painted picture, take a photo and e-mail it. We will request the winning entry only by post. All entries by e-mail to: office@cbcmonkstown.ie **Closing date is 5pm on Tuesday May 12th!**
